Description:

Escape to the simplicity and opportunity of country living with this charming 15 acre Amish homestead. Tucked into a quiet rural setting, this property offers the perfect blend of functionality, self-sufficiency and potential.

The 2 bedroom 1 bath home is equipped with a private well and a septic system. While the home is wired for electricity when it was built, it currently is not connected-ideal for those seeking off grid lifestyle or looking to customize utilities to their needs or take the opportunity to go solar.

This property is well equipped for hobby farming or livestock with fenced pasture, barn and milk house along with a large 28x40 heated and insulated shop-perfect for vehicle and equipment storage, woodworking or year round projects. The property has approximately 7.5 acres of tillable, pasture, and a garden spot. The home was moved in and placed on a new concrete foundation, ready to be finished, adding to your square feet.
