Description:

Prime 5.5-Acre Commercial Development Opportunity | Hwy 10 – Detroit Lakes

Position your next project in one of the most strategic and high-visibility commercial corridors in Detroit Lakes. This exceptional 5.5-acre parcel sits along busy Highway 10, just west of the city, in the heart of the area's thriving retail hub—where traffic, growth, and opportunity converge.

With outstanding frontage and exposure to consistent daily traffic counts, this site offers maximum visibility for a wide range of commercial uses. Located at a controlled light with convenient access via the frontage road, the property ensures seamless ingress and egress—an essential advantage for both customers and operations.

City services and natural gas are already available at the site, significantly reducing development timelines and upfront infrastructure costs. The surrounding area is home to established national and regional retailers, driving strong consumer activity and making this a proven destination for business success.

Whether you're planning retail, hospitality, dining, medical, or mixed-use development, this parcel delivers the scale, access, and location serious developers demand.

Highlights:

5.5 acres of prime commercial land

High-traffic Highway 10 frontage

Signalized intersection for easy access

City utilities and natural gas available

Located in Detroit Lakes' busiest retail corridor

Surrounded by established businesses and strong consumer draw

Opportunities of this caliber—combining size, infrastructure, and premier location—are increasingly rare in Detroit Lakes.

Secure your position in this high-growth market and bring your vision to life.

Invest where visibility meets velocity.
