Description:

Nestled among the pines on beautiful Pine Lake in Crosslake, this meticulously maintained 5-bedroom, 4-bath log-sided retreat offers the perfect blend of Northwoods charm and modern comfort. Set back from the road on a paved driveway, the home provides privacy while showcasing stunning lake views and a gentle slope to a swimmable sandy shoreline. Step inside and immediately feel at home with warm tongue-and-groove finishes, vaulted ceilings, and an open-concept design. The living room is the centerpiece, featuring floor-to-ceiling windows and a stone gas fireplace, all flowing seamlessly into the kitchen and dining area with beautiful lake views. The kitchen is well-appointed with natural hickory cabinetry, stainless steel appliances, and a center island ideal for gathering. The main-level primary suite offers convenience and comfort with a walk-in closet, soaking tub, and separate shower. A functional mudroom entry from the attached finished 2-stall garage includes laundry and a half bath. Upstairs, you'll find a cozy loft sitting area, three additional bedrooms, and a full bath—perfect for hosting family and guests. The finished walk-out lower level expands your living space with a family room featuring a wood-burning stone fireplace, a built-in kids' playhouse, an additional bedroom, and a bathroom with a tiled walk-in shower. There's also a tuck-under storage area for all your lake toys and gear. Outdoor living is just as impressive, with a wrap-around deck and covered area off the four-season porch—ideal for relaxing and taking in the lake views. The lakeside storage shed with power adds convenience right at the water's edge. A second detached 2-stall garage includes EV charging, offering space for vehicles, boats, and more. With log siding freshly re-stained in Fall 2025 and evident pride of ownership throughout, this turn-key lake home is as clean as they come. A rare opportunity to enjoy lake living close to downtown Crosslake.
