Description:

Welcome to this beautifully updated 4-bedroom, 2-bath home on 1.24 acres in Crosslake! Built in 2005 with 2,318 finished square feet, this property blends modern upgrades with Northwoods charm, highlighted by attractive half-log siding and a private setting. Inside, the fully remodeled interior features a stunning kitchen with all-new cabinetry, quartz countertops, an expanded center island, and Samsung black stainless steel smart appliances. Flooring has been updated with Lifeproof luxury vinyl plank and new carpet throughout. The living area has been refreshed with new sheetrock, a fireplace mantel, and updated lighting. Knotty alder doors and trim add warmth and character across the main level. Enjoy year-round comfort with natural gas forced air heat, central air. Major updates include a new roof (late 2024), HRV replacement (2026), new sump pump, and conversion from propane to natural gas. Outside, the property offers a large paved driveway, attached 24x24 garage, and a detached 26x26 garage—both with new epoxy floors and mini-split heating/cooling. The detached garage also includes added cabinetry and a garden station. RV enthusiasts will love the dedicated RV pad with 50A/30A/20A hookups, plus an additional 30A hookup. The yard has been extensively improved with new landscaping, irrigation system front and back, and a new concrete sidewalk. Additional updates include a new front door, and backyard leveling/reseeding planned for 2026. Move-in ready and loaded with upgrades, this property offers space, functionality, and modern comfort in a prime Crosslake location.
