Description:

Lake Lida opportunity! Dock included. Prepare to be amazed at the amount of space this 2 parcel offering will give you. Both the lakeside home along with the backlot that provides a 34x40 garage with 1000 finished SF of living space and a half bathroom is a rare find. The main home combines indoor/outdoor living seamlessly. The large lakeside deck not far from the water gives beautiful views of Lake Lida. The knotty pine 3 season porch is a great segway between indoors and outdoors. Once inside, the kitchen, dining, and living room with a gas burning fireplace are at the heart of the home. On the main level you will appreciate 3 large bedrooms, 2 full bathrooms, and laundry. Downstairs has another large bedroom and the utility room. Overflow is not a problem with the backlot garage and living quarters. The fully finished garage space is extremely useful for boat, vehicle, and toy storage. The bonus space above offers separation from the main cabin for kids, guests, and grandchildren to have their own space. This property has been updated with newer siding, shingles, flooring, windows, and a new septic in 2020.
