Enjoy one level living on Little Bass Lake! This move-in ready home features 3 bedrooms, 1 bath, main floor laundry, corner gas fireplace, reverse osmosis and updated appliances. In addition, there are two decks for entertaining and a very nice bunkhouse with natural gas heat, A/C, and outdoor privy. The three-stall garage with lien-to is mostly insulated and heated. This is such a unique property and a must see to appreciate as it is close to the water's edge with a private harbor/bay for docking your boat or pontoon, sand bottom for great swimming and fishing right from water's edge and in the winter a private ice-skating rink.
