Becida MN 56678

Status: Active

Description:

Welcome to your Hennepin Lake Hideaway—where privacy, lake life, and location come together on nearly 6 beautiful acres in highly sought-after Hubbard County.

Perfectly positioned just 20 miles from Bemidji, 36 miles to Park Rapids, 2.2 miles to Becida, and only 17 miles to Itasca State Park, this property offers the ideal balance of seclusion and convenience. Surrounded by public lands, nearby lakes, and access to ATV and snowmobile trails, this is Northern Minnesota living at its best.

Hennepin Lake is a quiet, scenic lake known for its good water clarity and quality fishing, including species such as walleye, northern pike, bass, and panfish—making it a peaceful retreat for both relaxation and recreation. Enjoy over 200 feet of your own private shoreline.

This well-designed, single-level home offers easy, stair-free living with a functional and inviting layout. The expansive kitchen features custom cabinetry and flows seamlessly into the main living space, where the open concept creates a warm and welcoming atmosphere. The dining room overlooks the lake and leads to a screened porch—perfect for morning coffee or evening relaxation. Step outside to a convenient concrete patio ideal for grilling.

The spacious primary suite includes a walk-in closet, full bathroom with a soaking tub, and private access to the screened porch. A second bedroom is located near a half bath, while a flexible bonus space currently serves as a family room. The living room sits at the heart of the home, offering beautiful views and connection to the kitchen.

Just off the attached garage, you'll find a practical entryway leading to a 3/4 bath and an impressive laundry room with abundant cabinetry and storage.

Outside, the property continues to shine. An asphalt driveway leads to a detached garage featuring a heated workshop and additional sleeping space. An adorable bunkhouse offers the perfect spot for guests, a studio, or extra storage. Two garden sheds provide even more room for lake toys and equipment. Near the bunkhouse, enjoy evenings around the stunning paver patio fire pit.

With natural hardwood floors, beautiful tongue and groove ceilings, and a detached garage with additional storage, this is a real gem. A detached garage is a rare find. If you've been searching for privacy, functionality, and true Up North living, this is the one.
