Description:

Timber Creek's Exclusive 2 Bed | 3 Bath | 1.57 Acres — Set on a private wooded lot buffered by pond and wetlands, this maintenance-free home offers space, privacy, and future potential. Step inside to vaulted ceilings and true main-level living, including laundry, primary living spaces, and thoughtful finishes throughout. The kitchen features cherry cabinetry and built-ins, flowing into a warm living area with a gas fireplace and a formal dining area. Enjoy the 3-season porch or step out from the office onto the deck overlooking native grasses and peaceful surroundings. The partially finished full basement adds immediate value with a full bath and studded walls—ready for additional bedrooms, family room, or whatever the next owner envisions. Additional highlights include an attached 3-stall insulated and heated garage with a dedicated shop area, in-ground sprinkler system, and negotiable furnishings for a turnkey option. A rare blend of class, privacy, functionality, and opportunity.
