This home features 4-bedrooms, 2-baths and has been beautifully updated for modern living. Enjoy freshly painted interiors, elegant slate flooring, and an expansive wood-burning fireplace, all complemented by a new HVAC system (that is dual fuel electric plenum heater in combination with a high efficiency propane forced air furnace and central air), and new sliding glass doors that frame breathtaking lake views. The impressive laundry area features custom cabinetry designed to fulfill all your storage needs. Featuring a partially concrete floor and dual electric panels (200 amp and 100 amp), it's perfect for any of your storage or project needs. Eleventh Crow Wing Lake boasts 750 acres of stunning water clarity and bottom structures, establishing it as one of the premier Walleye fishing lakes in the region, where 30 inch walleyes are only a cast away.
