Description:

Tucked on a quiet dead-end road and nestled among 1.5 acres of beautiful wooded land, this Crosslake charmer has everything you need — and then some. Built in 2001 with over 1,700 square feet of slab-on-grade living, this 3-bedroom, 2-bath home is the perfect blend of comfort and Northwoods character.

Arrive via the convenient looping paved driveway — easy in, easy out — and step inside to be wowed by a dramatic two-story vaulted ceiling soaring above the open-concept kitchen, dining, and living areas. Upstairs, the loft overlooks it all and features a spacious bedroom suite with a large walk-in closet and ¾ bath. Two additional bedrooms and a ¾ bath on the main level make single-level living completely effortless.

The mechanicals are nearly all updated, headlined by a Navien boiler that delivers instant hot water and powers in-floor radiant heat throughout the entire home and 2-stall attached garage — your feet will thank you all winter long.

Off the Living Room, a 12x12 three-season porch and attached deck are ready for grilling season, morning coffee, and everything in between. The lush lawn space and mature trees give the property a private, peaceful feel that's hard to find.

And the location is unbeatable — just a stone's throw from the many lakes that make this area so special, and minutes from all the shops, dining, and fun downtown Crosslake has to offer.
