Description:

Imagine owning on Leech Lake — and actually enjoying every moment of it. No maintenance. No off-season worry. No to-do list waiting when you arrive. Just the lake, your people, and a resort that handles everything else.At Trapper's Landing Lodge, ownership is built around a simple idea: stay here, play here, and earn income when you're not. Owners retain up to 49% personal use throughout the year — up to 179 days. The rest of the time, a professionally managed rental program handles bookings, guest services, housekeeping, and year-round oversight, so your home continues working for you while you're away. Your monthly association dues cover every detail: groundskeeping and outdoor maintenance, lawn care, snow removal, sewer and water, trash service, recreation amenities, firewood, TV and internet service, association management, master insurance for the buildings and common areas, and annual special projects. All of it. You arrive to a vacation home that's been cared for, clean, stocked, and ready. Every time.As an owner, the full resort is yours — over 1,600 feet of Leech Lake shoreline, sandy beach, outdoor heated pool, sauna, 51 slip full-service marina, on-site Merit Restaurant & Bar, and a Pro Shop stocked with gear ready for your time on the water. This is the Northwoods the way it's supposed to feel — unhurried, uncomplicated, and fully lived.This is true ownership — fee title to both the parcel of land and the home. Not a timeshare. Not a membership. Real property, real ownership, yours to keep. Historical and advanced reservation data available upon request.
