**Description:**

North Lida- If you've been looking for a spot on one of the area's most desirable lakes, this one is worth a look. With 120 feet of pristine shoreline, this 4 bedroom, 3 bath home offers over 3,000 square feet set up for easy lake living and gathering with family and friends. Originally constructed as a manufactured home, it has been completely taken down to the studs and rebuilt from the foundation up with all new plumbing, electrical, windows, insulation, siding, sheetrock, and finishes. Inside, you'll find an open layout, two fireplaces, and a 3 season porch that make it comfortable throughout the year. The outdoor space is what really sets this property apart, with a lakeside deck featuring a hot tub, a second tiered deck along the lake with a firepit, and an outdoor kitchen with space for a kegerator, making it an ideal setup for entertaining. Additional space across the road provides convenient extra parking for guests. A great opportunity to get onto one of North Lida's best stretches of shoreline.
