Description:

PELICAN LAKE Welcome to one of the greatest swimming and sunset beaches on Pelican Lake. First time on the market! Come and make this your new multi-generational family vacation spot. The well-loved home has a hard sandy bottom, nice depth, and rip-rapped shoreline. This single level 4-bedroom home is situated on a beautiful, large, level 0.65 acre lot, with 180-degree western views. That makes the parcel perfect for games of "bags," croquet or other yard games. The lot has 100 ft of lake frontage; however, the lakeside feels much wider due to the 3rd parcel width. There are plenty of lakeside windows to enjoy the spectacular sunsets! There is lots of room for all the family to gather in the open kitchen, living room floor plan, or retreat to the deck, one of the porches, or the family room. Cozy up to the wood burning fireplace! The circular driveway allows for plenty of parking along with a 2-car garage! Golfing and restaurants nearby. 3 Parcels. Rainbird Irrigation! Dock and swim raft included!
