1,983 sq ft  
3 bedrooms  
2 baths

3361 21st Avenue  
Hackensack MN 56452

Waterfront: Trillium

Status: Pending

**Description:**

Year-round lake home with hard sand frontage on private Trillium Lake! This home can accommodate up to 15 guests. Designed for efficiency and comfort, the home is highly insulated and features multiple heating sources, including in-floor heat, off-peak electric, propane, and two fireplaces. The garage and bonus spaces are also fully insulated and heated. Functionally featuring three bedrooms and garage bonus room. Large windows capture expansive water views and exceptional sunsets, while two fireplaces add warmth and character. A full basement provides additional space and flexibility. The 24' x 24' insulated garage serves as a versatile extension of the home, ideal for a gathering area, recreation space, additional bedroom, or storage. It includes heating, air conditioning, and a bathroom, along with access to a finished loft/bonus room with multiple sleeping arrangements. The lakefront features a sandy beach with a firm bottom, maintained for easy access. The approximately one-mile-long lake offers several 40–50-foot-deep areas with water clarity up to 14 feet. The setting is scenic and private, with frequent wildlife sightings including deer, eagles, and loons. A gradual slope to the shoreline provides an ideal balance of elevation for views and easy water access. Fishing is excellent, with trophy-size crappie, bluegill, bass, and abundant panfish. The property also offers private boat and snowmobile access and is close by public land for deer and grouse hunting. Additional features include low-cost high-speed internet and an oversized deck designed for entertaining, complete with built-in seating for 10–12, awning, pergola, grilling area, and lakeside seating. The lot is enhanced by mature trees and generous 150 feet of shoreline frontage. Inside, the cabin features an open floor plan with vaulted ceilings and a fully appointed kitchen that blends a classic lake-home feel with modern convenience. A mini-split heat pump provides efficient heating and cooling. The utility room includes full-size laundry, dual hot water heaters to support large groups, and a water softener. This is a well-maintained, highly functional lake property offering year-round comfort, flexible living space, and strong recreational appeal.
