Description:

Beautiful wooded lot with 110' of frontage on highly desirable lake Plantagenet! 2.31 acres with a nice mix of mature tree species. Lots of big Norway pines. There is an unfinished 14'x24' cabin with Douglas Fir flooring on the site. The cabin was built around 1960 and has had some recent updates like roofing and some windows. About 8 years ago a previous owner had a well drilled, septic system (3BR) installed and power run in to the site. Enjoy awesome sunrise views from the elevated bluff overlooking the lake. Seller is now living in the cabin so showings must be scheduled with a real estate agent.
