Description:

This wooded lot is in a great location between Detroit Lakes and Park Rapids, just north of Highway 34 and across the road from Bass Lake. The property would make the perfect spot for your base camp for hunting, fishing, and trail riding. It is located in close proximity to 1000's of acres of public land, including Tamarac, Two Inlets, & Smoky Hills State Forest. Not only is it close to Bass Lake, but several other great fishing and waterfowl lakes as well. The parcel is very diverse with a mixture of heavy woods, wetlands, ponds, and rolling terrain. It has plenty of road frontage, and with some dirt work, you can build a cabin, storage shed, or even your forever home on the lot. Along with fishing, this area is very well known for great deer, turkey, bear, and grouse hunting!
