**Description:**

Tucked away on 40 beautiful acres, this beautifully crafted log home offers the peace, privacy, and Northwoods lifestyle so many buyers are looking for. Built in 2010, this well-maintained 2-bedroom, 2-bath home offers over 2,000 finished square feet with a comfortable, functional layout and peaceful country setting. A cozy wood fireplace adds warmth and charm, creating an inviting space to gather and unwind. The loft provides flexible use as an additional bedroom, office, sitting area, or bonus living space. The full unfinished basement offers excellent potential for future finished living space, including an additional bedroom, family room, rec room, home office, or guest area. The property offers the perfect blend of privacy, space, and usability with 5 garage stalls ideal for vehicles, equipment, hobbies, storage, or workshop needs. Whether you are looking for a year-round residence, recreational getaway, hobby property, or quiet escape surrounded by nature, this property delivers. Enjoy room to roam, explore, hunt, garden, or simply relax and take in the privacy of your own acreage.
