Description:

Discover the perfect blend of comfort, space, and recent upgrades in this beautifully maintained 4-bedroom, 2-bath home set on a stunning 2-acre double lot surrounded by mature trees. Step inside to an inviting open floor plan designed for both everyday living and entertaining. The living room features a cozy gas fireplace, creating a warm and welcoming atmosphere. Just beyond, you'll find a bright and expansive sunroom with an abundance of windows—ideal for relaxing, hosting guests, or enjoying peaceful views year-round. The home also offers a dedicated dining space and attractive hardwood floors that add character and charm. The lower level boasts a large family room complete with in-floor heat, making it a comfortable retreat in every season. A utility room with laundry facilities adds convenience and functionality. Outside, the property continues to impress with a 24x40 heated and insulated 4-car garage—perfect for vehicles, hobbies, or extra storage. Recent updates provide peace of mind and modern appeal, including LP SmartSide siding (2025), new shingles (2024), an updated deck with composite decking and new rails, a water softener addition, updated stove, and refreshed bathroom. With its spacious layout, thoughtful updates, and beautiful natural setting, this property offers the ideal place to call home.
