Description:

There is room for everyone at this awesome lake home right in the heart of lakes country! Featuring 210+ feet of frontage and 1.4 acres on Leif Lake, one should never run out of space at this great property! This walkout home is set perfectly on the lot to take in maximum lake views on both the main and lower levels. Featuring 6 bedrooms (plus an additional office space) this can be a gathering place for years to come! If the 6 bedrooms aren't enough there is RV hookups as well!

Enjoying having everything you need on the main level, including laundry and the primary suite! The kitchen and dining area feature stellar water views and also have easy access to the main level deck - west facing for great sunsets!

The lower level is a great gathering space with a large family room as well as a second kitchen. This level walks out to the lower patio - giving one plenty of shade when needed. The entire backyard is your own private area with a gentle slope to the water. It is rare to find a property this large and functional - do not let the opportunity slip by!
