Description:

Here is your chance to get your own spot on Clitherall Lake, one of Otter Tail County's finest and most coveted bodies of water. Clitherall Lake is famous for its gin clear water, excellent fishing and all around beauty. This property features almost 150 feet of west facing shoreline with a nice hard bottom and gradually increasing lake depth, making it perfect for swimming and boating. The lot has a flat top with a gradual slope (drivable with a golf cart or riding mower) down to a large wide shelf at the bottom that is level with the lake. There is currently a 1978 manufactured home on the property that is in great condition and features 2 bedrooms and 2 bathrooms. The home can be used seasonally as it sits now or could be moved out and a new home put in. Opportunities to get onto Clitherall Lake don't come up very often, especially at this price point.
