Description:

Welcome to this rare and highly sought-after property perfectly situated on the edge of Detroit Lakes — a location that is truly hard to find! Nestled on a beautifully wooded lot with breathtaking views and Pelican River frontage. This well-kept home offers the ultimate combination of nature, wildlife, and comfortable living.

Step inside and enjoy generous square footage, spread across a thoughtfully designed layout. The main level features 3 bedrooms, including a private master suite complete with a full bath and walk-in closet. The open and functional floor plan also includes a convenient pantry, while the walkout main floor leads directly to a gorgeous screened-in porch — the perfect spot to soak in the stunning surroundings and watch the abundant birds and wildlife right from your own home. The partially finished walkout basement offers excellent additional living space and endless potential to make it your own. A massive 3-stall oversized garage provides plenty of room for vehicles, storage, watercraft, and all your recreational toys.

This property is neat, clean, and truly move-in ready — just waiting for its next lucky owner to start making memories. Properties like this don't come along often. Schedule your private showing today!
