**Description:**

Don't miss this opportunity! This country home would make a great hobby farm or just a nice place to live and raise a family. This home is a 3 bedroom 2 bath home, but it could easily be a 6 bedroom if needed. There is a 22x 24 insulated garage, 26x46 pole building, 13x11 pumphouse building, 12x21 mancave for a hobby workshop, a 11x14 chicken coop, and a very nice 12x20 she-shed. All of this is placed on a gorgeous 5 acre lot with all of it being high ground and mowed grass. This fun country home is 2.5 miles from the 4-way in Crosby, but the quiet country setting feels like there is no town nearby. The home has two large living areas, but the main living room is huge and would be great for hosting holidays or gatherings. The large kitchen has a massive pantry for your canned and dry goods, along with plenty of cupboard and counter top space. This is a must see property that has all amenities on one level. Don't hesitate, this great property won't last long.
