Description:

Rare, build-ready lakeshore on Lower Twin Lake. The hard part is already done. This 0.74-acre lot offers 200 feet of shoreline and something you almost never find in vacant land: a private well, electric service, and a 5-bedroom-capacity septic system already installed, enough to support a full-size lake home whenever you're ready to build. Enjoy it now with your camper or RV, then build on your timeline. It's turnkey from day one, with a deck, dock, stairs to the water, two fire rings, and a firewood shed all in place. The lot sits high and private among tall pines with breathtaking panoramic views over the water.

Lower Twin is a 252-acre lake known for its walleye, northern pike, and panfish, with boat access to the Shell River and ATV trails nearby, and you're just minutes from Menahga and Park Rapids. Bring the boat, the camper, and your building plans. Opportunities this ready don't come often.
