$799,000

2,938 sq ft
4 bedrooms
3 baths

7814 Pueblo Circle
Pequot Lakes MN 56472

Status: Delete

Description:

From the drive in on this 1.4 acre lot surrounded by pines is this stunning 4 bedroom, 3 bath home that welcomes you with soaring vaulted ceilings and stunning custom woodwork throughout. The open floor plan creates a spacious, airy feel, perfect for both relaxing and entertaining. The kitchen shines with granite countertops, a stylish tile backsplash w/under cabinet lighting to add a touch of elegance. The spacious kitchen has an over the sink window, stainless steel appliances including gas stove and custom cabinets with glass showcase to top it off. Cozy up by the stone gas fireplace that towers up the wall and stands out with the floor to wall windows. Just off the kitchen is a sunroom/formal dining surrounded by windows gleaming with natural light that leads to a concrete patio framed by pavers that trails to a bonfire pit for a perfect night under the stars and gathering with friends and family. The primary bedroom suite and the perfect amount of windows, jacuzzi tub with tile surround, more granite counter tops with the double sink, walk in tile shower with built in tile shelves and glass doors is across from the walk in closet. Main floor laundry adds to the convenience of this amazing home. The beautiful wood stairs lead you to an office/ storage room, bathroom, living room and 2 more bedrooms. Be in awe by the size of the 4th bedroom with the built in custom bunks and walk in closet. The large 3 car 34x30 heated, insulated, finished garage couldn't be any more perfect. Let’s not stop there this property also features a small storage shed and a 32x42 pole barn surrounded by concrete and finished with all the extras, starting with heat, insulated walls, ceilings and doors, floor drain, door openers, concrete floor, ceiling fans, window and overhang for many uses. Don’t wait on this one!!!
