1 baths

214 Norman Point Road
Longville MN 56655

Waterfront: Blackwater

Status: Active

Description:

Enjoy lake life on beautiful Blackwater Lake with this nearly one-acre level lot featuring 100 feet of shoreline with hard gravel/sand lake bottom. Located just minutes from Longville, you'll have easy access to dining, shopping, and local amenities. Property includes a dock, well, septic system, a bunk house, and 2 utility sheds. The trailer is seasonal and was used last season. However, most would want it removed. This property is going to make a great location for your new cabin or to park an RV. Even with the removal of the trailer, you still have a septic and well for whatever you decide to do. Lots with this elevation and swimming lakeshore are very hard to come by. A wonderful opportunity to own a prime waterfront property in the heart of lake country!
