Waterfront: Ottertail River

Status: Active

Description:

Escape to your own private riverfront retreat just minutes from Perham! This rare Otter Tail River property offers approx. 290 feet of sandy-bottom frontage on 1.86 acres, combining privacy, recreation, and year-round usability in one exceptional setting.

The level, beautifully landscaped yard features established perennial gardens and provides easy outdoor living right down to the water's edge. Enjoy direct river access with a dock already in place—ideal for fishing, swimming, kayaking, or simply relaxing along the shoreline.

The year-round home is well maintained and ready for immediate enjoyment, offering flexibility to move in as-is, make improvements over time, or plan for future building potential. A spacious deck overlooks the river and creates a perfect setting for outdoor dining, entertaining, or quiet mornings by the water.

A 4-stall garage provides abundant storage for boats, vehicles, and recreational equipment, making this an ideal fit for full-time living or a four-season getaway.

Opportunities with this amount of usable river frontage, sandy-bottom access, and level yard space along the Otter Tail River are limited. This is a property best experienced in person to fully appreciate the setting, privacy, and direct river connection.
