Both the eat in kitchen and the living room have views of the lake and on cool days and nights, the living room gas fireplace will warm you up and help you relax. There are 2 bedrooms and a full bath on the main floor and in the lower level you will find a private space with a bedroom, another full bath and a flex space you can use for an office or den. The home has several gathering spaces including a finished breezeway large enough to play a game of cards and hang out.
