“My family had a cabin on that lake — amazing memories.”
“It’s like a dream of living in the country, on a lake, and still close to town.”

Set on 150 feet of shoreline on Fox Lake — a 143-acre recreational lake just outside Detroit Lakes — this property is being offered for the very first time. Originally built by the current owners, the setting blends mature trees, nearly 3/4 acres of generous yard space, and peaceful lake frontage to create a property that feels both private and welcoming.

The home offers 2,556 square feet with 3 bedrooms and 2 full bathrooms. Inside, vaulted ceilings create an open, airy feel in the living room, which flows naturally into the dining and kitchen areas — ideal for gathering with family and friends. Main floor laundry adds everyday convenience, while two separate 24x24 ft garages provide excellent storage for vehicles, lake toys, and outdoor equipment. You read that correctly - that's 1,152 sq feet of garage space!

Fox Lake features approximately 2.4 miles of shoreline and a maximum depth of 24 feet, making it a wonderful recreational lake for fishing, boating, and simply enjoying lake life.

For added peace of mind the Furnace and Central Air Conditioning Unit have been updated and both the Septic System and Well have recently been inspected and are fully compliant.
