3,404 sq ft
5 bedrooms
4 baths

1411 Riverview Drive
Little Falls MN 56345

Waterfront: Mississippi River

Status: Active

Description:

Nestled along one of the most breathtaking stretches of the Mississippi River just north of the Little Falls dam, this extraordinary riverfront estate offers a setting and craftsmanship rarely found today. From the moment you arrive, the meticulously irrigated and manicured grounds set the tone for a property that has been lovingly maintained while preserving its timeless character.Enjoy the tranquility of your own protected bay, offering calm waters ideal for docking and shielding your watercraft from the main river current. A historic boathouse with rooftop seating creates the perfect gathering space to take in panoramic sunsets and sweeping river views that feel straight out of a postcard.Inside, historic charm and modern sophistication blend seamlessly throughout the home. Rich architectural details and warm 1960s character are beautifully complemented by tasteful updates designed for today's lifestyle. A grand staircase welcomes you upon entry, creating an unforgettable first impression and inviting guests into expansive living spaces filled with warmth and elegance.The custom kitchen cabinetry offers both beauty and functionality, while six spacious bedrooms provide room for hosting family and guests alike. The luxurious primary suite features its own fireplace and direct access to an incredible riverside balcony stretching the full length of the home a private retreat where morning coffee and evening views become part of everyday life.This is more than a home; it is a legacy property. A true Mississippi River dream offering a setting, character, and waterfront lifestyle that simply cannot be recreated in modern times.
