Description:

Rarely does the opportunity arise to own a custom-built executive lake home of this caliber. Built in 2023 by Zetah Construction, this unforgettable Lake Bemidji residence offers sandy shoreline, breathtaking sunset views, sparkling city lights, and even the occasional Northern Lights display.

With over 6,500 square feet, this home features 5 bedrooms, 4 bathrooms, and an unfinished lower level designed for future expansion. From the moment you enter, a dramatic floating staircase and stunning lake views set the tone for the exceptional craftsmanship found throughout. Soaring 10-foot ceilings and a vaulted great room showcase floor-to-ceiling windows that frame the beauty of the lake beyond.

Designed for both everyday living and entertaining, the gourmet kitchen offers premium upgraded appliances, quartz countertops, custom cabinetry, built-ins, and an impressive butler's pantry. The adjacent dining area opens to a covered lakeside patio, creating the perfect setting for summer gatherings.

The main-level primary suite provides a private, spa-like retreat complete with spectacular lake views, dual vanities, a soaking tub, walk-in shower, spacious walk-in closet, and attached laundry. Upstairs, you'll find an additional family room, a private ensuite bedroom, and two additional bedrooms connected by a Jack-and-Jill bathroom.

The lower level is equipped with in-floor heat and offers endless possibilities for additional living space, recreation, wellness amenities, or storage. Direct access to the oversized heated triple garage adds both convenience and functionality.

Whether you're seeking a year-round residence or an extraordinary lake retreat, this remarkable property seamlessly blends modern architecture, luxury finishes, and timeless lakefront living.
