**Description:**

First-time offering of this modern lakeside gem on Saint Clair Lake, featuring 517 feet of frontage and 5.4+/- acres. Previously featured in a local magazine, this custom-built home showcases distinctive design elements including a mono-pitch roof, concrete floors, exposed ductwork, and a thoughtfully designed kitchen with custom maple cabinetry. Special kitchen features include an induction cooktop and a wall oven. A wall of lakeside windows frames the natural beauty of the native shoreline, while the sunroom provides an inviting space to relax and take in the peaceful setting. Designed for year-round, main-level living, this creative 2-bedroom home makes efficient use of space, including a custom maple Murphy bed for added flexibility. The upper-level flex room offers additional room for guests, hobbies, or office space. A detached finished and heated 4-stall garage includes an electric car charging port, while additional sheds offer extra storage. Walking paths, two rain gardens, and the surrounding natural landscape create a private retreat feel. Whether you are enjoying the water, exploring nearby trails, visiting Tamarac Wildlife Refuge, or simply relaxing to the quiet sounds of nature, this one-of-a-kind modern retreat offers a rare combination of privacy, design, and lakefront living.
