Description:

Welcome to this bi-level home situated on a lot filled with mature trees and a beautifully wooded backyard. The main level offers a functional layout with large windows that fill the space with natural light. Upstairs, you'll find two bedrooms, while the lower level features a comfortable family room and two additional bedrooms, offering plenty of space to spread out. Step outside from the kitchen onto the spacious deck overlooking the fully fenced backyard. The outdoor space is perfect for relaxing or entertaining, featuring a patio area, cozy fire pit, and two storage sheds for extra storage or hobbies. One shed was previously used as a hot tub room and could easily be converted back. The attached 2-stall garage adds even more storage and convenience.
