**Description:**

Step into timeless character and modern comfort at this beautifully maintained 1910 Craftsman home in Crosby, MN, ideally located on the sought-after tree-lined 2nd St NW with sidewalks, right between the world-famous Cuyuna mountain bike trails and all the shops, restaurants, and attractions of downtown Crosby. This classic home offers the charm buyers love with the updates they want, including a newer roof, newer windows throughout, updated kitchen, updated bathroom, and newer basement windows.

A welcoming covered front porch sets the tone, leading into a spacious formal living room filled with historic charm and anchored by a brick - gas fireplace. The main level features 2 bedrooms, while upstairs offers an additional bedroom plus a large flex room that could easily function as a 4th bedroom plus home office, playroom, or guest space. The layout provides flexibility for full-time living, a vacation getaway, or an investment opportunity in one of Minnesota's most popular recreation destinations.

The home also features a large sauna for relaxing after a day on the bike trails or exploring the lakes area. Downstairs, the basement offers abundant storage space, giving you room for gear, seasonal items, and more. Outside, enjoy a large backyard, storage shed, paved driveway, and a large 2-car garage, offering excellent space for vehicles, bikes, tools, and outdoor equipment.

If you've been searching for a historic home near downtown Crosby, a home near Cuyuna bike trails, or a property with character, updates, garage space, and a great yard, this Crosby Craftsman delivers a rare combination of location, charm, and functionality.
