Description:

This meticulously maintained home sits on a beautiful, park-like 3-acre lot along the Little Elk River, offering a unique find in Randall with a perfect blend of peaceful surroundings and space. Inside, you will find a comfortable, turn-key layout featuring granite countertops, a stainless steel refrigerator and microwave, and a brand-new 2025 range! High-ticket mechanical longevity is already taken care of, featuring central air added in 2024, a newer furnace (2018), a 2022 hot water heater, and updated Anderson windows paired with a new patio door. The exterior features an excellent setup for hobbyists, mechanics, or anyone needing massive storage. The property boasts a fully insulated and heated two-stall garage equipped with gas, a new electrical panel, 60-amp service, four 220V outlets, a 30-amp/110V plug, and the home is wired to accept a generator. Additionally, there is a 14x28 detached storage shed set on a rock-solid crushed concrete pad, completely wired with its own power. Complete with durable steel siding, a 7-year-old roof, and expansive front and wrap-around decks to enjoy your massive backyard, this property offers incredible in-town convenience, located close to the local park.
