Description:

Tucked at the end of a quiet cul-de-sac on 1.3 beautifully treed acres, this classic Northern Minnesota home offers the perfect blend of country serenity and convenience just minutes from town. Located near Bemidji State Park and Lake Bemidji, enjoy a peaceful lifestyle surrounded by mature trees, perennial gardens, and nature while remaining close to all Bemidji amenities.

This inviting 3 bedroom, 3 bathroom home welcomes you with a spacious entry offering plenty of room to organize coats, shoes, and everyday essentials. Natural hardwood flooring immediately creates warmth and character as you enter. The comfortable living room overlooks the front yard and flows seamlessly into the dining and kitchen areas, creating an ideal layout for everyday living and entertaining.

The kitchen is designed with functionality in mind featuring abundant cabinetry, Silestone countertops, tiled backsplash, coffee bar area, and a sink perfectly positioned to overlook the raised garden beds outside. The dining room opens through a patio door to the wraparound maintenance-free deck, extending your living space outdoors and creating the perfect setting to enjoy the private backyard views.

The spacious primary suite is sure to impress with two walk-in closets, including one directly off the ensuite bath, plus a separate shower area creating a comfortable retreat. A large walk-in pantry sits just off the kitchen, while the main level full guest bath offers additional linen storage.

The lower level provides exceptional living space with two sizable bedrooms featuring generous closets, convenient under-stair storage, and a large family room filled with natural light from oversized windows. Cozy up by the fireplace on cool evenings or enjoy the flexible space for gaming, entertaining, hobbies, or relaxing. A ¾ bath with built-in laundry includes a newer stainless washer and dryer package.

The attached double garage offers an epoxy floor, garage door openers, built-in workbench area, and service door access to the backyard. Outside you'll find two charming handcrafted log storage sheds, asphalt driveway, and ample parking space.

Recent updates include septic system (2020), all-new Kineticco heating and air system (2025), well pump (2025), water heater, efficient cover/radiant ceiling heat provided subtle, even warmth throughout this solid-built home character, and timeless appeal.
