Description:

Year-round lake home situated on 2.25 acres along one of the area's most unique lakes. Long Lake in southern Clearwater County is known for its rainbow trout fishing, scuba diving, exceptional water clarity, and peaceful setting with a 10-mph speed limit creating a "no wake" environment. This spring-fed lake reaches depths of approximately 80 feet and is recognized for its striking emerald blue-green water.

The home underwent an extensive remodel beginning in 2012 and completed in 2013, including updates to wiring, windows, roof, and more. Custom exterior siding was milled specifically for the home, adding distinctive character and craftsmanship.

Inside, the property features a primary bedroom with patio doors overlooking the lake, walk-in closet, main floor laundry, walk-in tile shower, granite countertops, and numerous additional updates throughout. The walk-out lower level includes a kitchenette, offering flexibility for guests, additional living space, or potential rental use.

Outdoor features include a wraparound deck, steps leading to the lake, a double detached garage, and ample space to enjoy the property. The home is being offered mostly furnished, excluding a few personal belongings.

This is an excellent opportunity to own a beautifully updated lake property in a highly desirable recreational area.
