Description:

Welcome to the kind of lake cabin families cherish for generations — the perfect place to relax, reconnect, and make lifelong memories! Inside, you'll find exceptional space for family and guests with an inviting open-concept main level featuring a well-designed kitchen, spacious dining area, lakeside living room, bedroom, full bath, and convenient laundry room. Upstairs offers even more room to gather and unwind with two large lakeview bedrooms, a comfortable family room, and a half bath. There truly is space for everyone! An attached garage-style storage area provides the perfect place for fishing gear, lake toys, tools, and all your outdoor essentials. Ideally situated directly across from your private boat slip — complete with power available for your lift — this property makes lake life effortless. Enjoy expansive maintenance-free decking with both lakeside and side-deck entertaining spaces, offering plenty of room for grilling, outdoor dining, happy hours, or simply soaking up the sunshine and lake views. The forced-air furnace allows you to start your lake season early in the spring and comfortably into the fall. While the property is considered seasonal due to shallow city water lines that are unavailable during winter months, you'll enjoy comfortable use throughout much of the year. Located within the highly desirable former Black's Resort, now an association with individually owned properties, this cabin offers the convenience of city sewer and softened city water. Unlike a co-op, ownership is transferred by deed, making financing much easier. Association amenities make ownership nearly carefree and include dock installation and removal each season, sewer, water, garbage service, lawn care, fish cleaning house, additional laundry facilities, shower/bath house, small playground, and liability insurance for the grounds. Best of all — it's all play and no work here! Adding to the benefits of this location is the nearby City beach complete with bathhouse, sand volleyball, diving raft, small playground and fishing pier.
