Description:

The search ends here. Rebuilt in 2004, this exceptional 3 bedroom, 2 bathroom Jewett Lake home offers luxury lakeside living with 90 feet of level frontage, a sandy beach, and a rare oversized back lot. Set on the 747 acre lake with depths up to 75 feet, the property combines stunning views with the space and privacy seldom found on the water. Inside, soaring vaulted ceilings, expansive lakeside windows, and an open catwalk create a bright, elegant atmosphere filled with natural light and breathtaking lake views. The beautifully designed living spaces feature in floor heat on both levels, main floor laundry, updated flooring, a gas range, and a cozy wood burning fireplace perfect for unwinding after a long day on the lake or escaping the harsh Minnesota winters. The dining room sliding glass door opens seamlessly to the lakeside deck, creating an ideal setting for entertaining or relaxing by the water. The upper level bath offers a walk in tiled shower and soaking tub, while the porch and new lakeside deck provide the perfect places to enjoy the peaceful setting year round. Even during the coldest months, comfort comes easy with the heated and insulated double stall garage and the warmth this home offers throughout. With tarred road access, a garden shed, and move in ready updates throughout, this Jewett Lake retreat delivers the perfect blend of luxury, comfort, and lake life.
