Description:

Quality and care are two words that come to mind with this executive, craftsman style home in Baxter. The main floor features nine-foot side walls, a foyer entry, a half bath, formal dining room, spacious kitchen with a huge center island, double ovens, granite countertops, custom floor-to-ceiling cherry cabinets, hardwood floors, living room with vaulted ceiling and a stone, gas-burning fireplace, main floor laundry room and an on suite bedroom with private bath, dual sinks, huge soaking tub, tiled shower and a walk-in closet.

Downstairs you'll find ICF poured walls, a generous sized family room, a full bath, two more bedrooms and an office. The three stall attached garage acts more as an extension of the house as it is completely finished, insulated, heated and has an epoxy floor.

The exterior boasts fantastic curb appeal, low maintenance siding, a front covered porch, a rear covered three season porch and a side deck, all featuring stunning tiger wood decking.
