Description:

Welcome to Your Eagle Lake Retreat. Discover the perfect blend of comfort, privacy, and natural beauty at this thoughtfully updated 3-bedroom, 2-bathroom home with an oversized 2 stall garage on the pristine shores of Eagle Lake. Situated on a spacious .8-acre lot with 100 feet of hard sand bottom lakeshore, this property offers a rare combination of tranquility and modern convenience.

This home offers a front-row seat to one of the area's most desirable lakes. Eagle Lake is spring-fed with exceptional 25'+ water clarity and crystal-clear water, perfect for swimming, kayaking, and enjoying nature. The lakeshore was professionally rip-rapped in 2020 for lasting stability and beauty.

The main floor features a primary bedroom with stunning lake views and a large walk-in closet—wake up to water vistas every morning. The updated kitchen showcases granite countertops and stainless steel appliances, perfect for both everyday meals and entertaining. Main-level laundry and a full bath add everyday convenience to this well-designed layout.

The walk-out lower level includes two additional bedrooms and a ¾ bath, opening directly to a beautiful patio—ideal for guests, family, or flexible living space. Step outside to enjoy the newly installed patio and landscaping blocks (2020) that create inviting outdoor spaces with a private, secluded feel.

The large 2-stall heated garage (built 2017) provides ample space for vehicles, toys, and hobbies, with a generous storage area above—perfect for seasonal items, equipment, or workshop space.
