**Description:**

Re-constructed from top to bottom and completely move-in ready! This oversized split entry 4-bedroom, 3-full-bath home offers an incredible opportunity to own a pristine, never-lived-in property. Located at the end of a cul-de-sac, this home has just received its final occupancy permit and is waiting for you. Step inside to an open floor plan, sun-filled with natural light from large windows. The modern kitchen is a chef's delight, featuring crisp white cabinetry, brand-new stainless-steel appliances, and durable, stone-look laminate countertops. Throughout the main living areas, enjoy the seamless beauty and easy maintenance of luxury vinyl plank wood-look flooring. The main level hosts a spectacular, oversized primary suite designed for relaxation. It boasts a large walk-in closet and a private, spa-like ensuite bathroom complete with double sinks, a full tub, and shower. The additional bathrooms across the home are finished with stone countertops and full tub/showers.

Downstairs, the sprawling lower-level family room offers the perfect secondary gathering space for movie nights, a home gym, or a playroom. Floors in lower level and garage are ready and can be heated by boiler with tubing in place. A brand-new forced air furnace heats the entire home and central air unit cools the entire home, both fueled by natural gas. Storage and parking are a breeze with the oversized, double-car attached garage. It comes fully finished, insulated, and equipped with oversized overhead doors to accommodate larger vehicles. Why wait to build when you can move right in today? Schedule your private tour!
