Description:

Luxury country living, premier hunting, and turn-key ranch functionality come together on 97.27 acres just 34 miles from Fargo. This 2010-built ranch-style home offers 5 bedrooms, 3 bathrooms, and 4,324 finished square feet with an open kitchen, dining, and living area designed for gathering. Enjoy north and south decks, an oversized lower-level family room with wet bar space, bonus area, two lower-level bedrooms, custom tiled walk-in shower bath, and generous storage.

The property is built for serious rural living. A majority of the acreage is fenced, with two continuous-flow anti-freeze Ritchie waterers plumbed in to provide reliable year-round water. Previously used to run approximately 68 head of cattle, the setup is ready for horses, cattle, hobby farming, tillable use, or a private ranch operation.

For the outdoor buyer, this is also a standout hunting property. The land offers the space, privacy, cover, and habitat potential needed for big whitetail deer, with a raised 14x14 insulated watch tower/gazebo featuring electricity, furnishings, a deck, and panoramic views of the property.

The improvements continue with a 40x36 attached in-floor heated garage with hot tub and sink/cleaning area, 30x60 pole barn with electric, 30x50x10 heated steel building with overhead door and electric, 36x45x10 poultry building with electric, 10x16 loafing shed, and 11x21 coop/dog run with concrete slab. Mechanical highlights include central A/C, forced-air heat, 3-zone electric boiler in-floor heat, 2023 water heater, 200-amp electrical service, sump basket, drain tile, 9-foot insulated concrete form basement walls, insulated vinyl siding, and a 26kW generator.

Outside, enjoy the custom firepit tucked into the grove, garden space, rhubarb, cherry, apple, and plum trees, and the peace and privacy of nearly 100 acres. Whether your dream is horses, cattle, farming, hunting trophy whitetail, or simply owning a luxury rural estate, this property delivers a rare combination of home, land, buildings, and lifestyle.
