Description:

Enjoy over 6,000 acres of boating, fishing, and recreation on the Woman, Girl, and Child Lake Chain while coming home to a setting that feels worlds away from the crowds. Located on the big lake portion of Woman Lake, this unique property combines 150' of shoreline and over 4 acres, creating a private retreat with room for family, friends, hobbies, and all the toys that come with lake life. The log home is centered around the view, with soaring knotty pine ceilings and dramatic lakeside windows that bring Woman Lake center stage. The open kitchen and living area flow naturally to the lakeside patio, creating a welcoming gathering space both indoors and out. A main-level owner's suite and private bath offers convenience, while the loft bedroom and bath provide additional space for guests. A heated guest cabin with a kitchen, two bedrooms, and bath offers comfortable accommodations for family and friends. The impressive pole building, additional garage, and numerous outbuildings provide exceptional storage for boats, vehicles, recreational equipment, workshop projects, and more. Mature trees frame the property, while a winding path leads to the shoreline, dock, and lakeside sitting areas. Whether enjoying coffee on the patio, visiting on the deck tucked among the trees, or spending the day exploring the chain, every corner of the property invites you to slow down and enjoy the lake.
