Description:

Some homes just have a personality of their own, and this Aitkin property is one of them. From the moment you step inside, the vaulted ceiling with exposed beams and the fireplace create a warm, inviting living space that feels both comfortable and unique. The dining area flows naturally into the living room, making the main level feel open while still offering distinct spaces throughout the home. Upstairs, the private primary suite includes a half bath and a quiet retreat from the rest of the house. Outside, the landscaping has been thoughtfully cared for, with mature trees, perennial gardens, and a spacious deck that extends the living space outdoors. An attached garage, lower-level laundry, and a convenient in-town location complete the package. This is a home that has been well cared for and offers a style that's hard to duplicate.
