Description:

Welcome to Geneva Estates East, where scenic surroundings, golf course convenience, and easy one-level living come together. This beautifully designed Price Homes model is under construction and tucked into a quiet cul-de-sac just minutes from Geneva Golf Club, Geneva Grill, the Central Lakes Trail, downtown Alexandria, and the area's beautiful lakes.

The open-concept floor plan offers abundant natural light, custom cabinetry, quartz countertops, luxury vinyl plank flooring, a cozy electric fireplace, and rough-in for future in-floor heat in the home and garage. Thoughtful architectural details include box-vault ceilings in the foyer, living room, and primary bedroom, adding character and volume throughout the home. The kitchen is designed for both everyday living and entertaining, featuring an upgraded appliance package and an impressive cooktop wall that creates a beautiful focal point.

The private primary suite features a box-vault ceiling, spacious walk-in closet, and ensuite bath with dual vanities, while the main-level laundry connects directly to the primary closet for added convenience. A functional drop zone adds everyday organization, and the oversized 36x24 three-car garage provides excellent space for vehicles, storage, hobbies, or lake and golf gear.

Step outside to the covered rear patio and enjoy peaceful backyard views and the relaxed lifestyle Geneva Estates East is known for.
