Description:

Rare opportunity to own a truly unique Northwoods retreat on nearly 100 acres with approximately 3,363 total feet of shoreline between a private lake and neighboring Sandy Lake. The private lake is approximately 30 acres and reported to be up to 60 feet deep, while Sandy Lake is a 242± acre lake with approximately 1,000 feet of shoreline included with the property. Surrounded by state forest land on two sides, this setting offers exceptional privacy, recreation, wildlife, trails, lake views, dock access, fishing, swimming, and outdoor gathering spaces. The year-round 3BR/2BA home features 1,404 sq. ft., forced air heat, central air, a detached 3-stall garage, and a lakeside deck overlooking the setting. Currently used as a VRBO/short-term rental, the property offers excellent potential as a private retreat, family getaway, hunting and recreation basecamp, or continued short-term rental opportunity.
