Perfectly situated on a 3.2-acre lot, this property boasts an impressive 537 feet of pristine, gently sloped private shoreline. The masterfully designed interior showcases lake views from almost every single room, beautifully framed by premium maple flooring and warm cedar tongue-and-groove ceilings and walls throughout the main living areas. The magnificent great room commands attention with its soaring vaulted log beamed ceilings and a dramatic cultured stone fireplace. Culinary enthusiasts will love the well-equipped kitchen, featuring elegant Silystone countertops, rich hickory cabinetry, a dedicated second refrigerator, and newer stainless-steel appliances (refrigerator, dishwasher, range, and microwave). Relax in the sun-drenched four-season porch, or step through sliding doors onto the massive composite lakeside deck, overlooking the two newer docks with boat lifts. The main-floor primary suite offers a private sanctuary, double sinks, and a custom heated tiled floor and walk-in shower. Upstairs, a versatile loft family room overlooks the great room, flanked by two oversized bedrooms and a full bath. The masterfully finished lower level features cozy in-floor heating, a spacious recreation room with a sliding glass door to a shaded screened patio, a den with a wet bar, a family room, a fourth bedroom, and a 3/4 bath. Storage is unmatched with two massive outbuildings: an insulated 28x28 garage with an enclosed upper-level storage bonus room, and a 30x40 pole barn featuring massive 16-foot doors to accommodate boats, trailers, and large RVs.
