Description:

Welcome to Pine Dance Lodge, a one-of-a-kind Northwoods estate offering 6 bedrooms, 7 baths, 5 fireplaces, and true multi-generational comfort set on 3.8 beautifully wooded acres with 291 feet of shoreline on the Whitefish Chain of Lakes. This thoughtfully designed lodge-style home was created as a legacy property, blending warm, timeless finishes with modern function and an easy, indoor-outdoor flow. The main house features a soaring great room with stone fireplace and expansive windows that pull the pines and water views inside, plus an upgraded chef's kitchen with large range and hood, dual dishwashers, beverage fridge, generous dining space, and custom lighting for effortless entertaining. Multiple private suite bedrooms provide privacy for family and guests, while smartly placed laundry, radiant in-floor heat, robust internet, and integrated sound add everyday comfort and convenience.

A separate guest quarters—complete with its own bedroom, bath, kitchen, laundry, and fireplace—offers true independence for extended stays. Outside, a network of decks, porches (including a yoga/screen porch), and a custom bridge and boardwalk lead through the pines toward the lake, designed so all ages can enjoy easy access to the water. The property's amenities are further enhanced by additional structures including a sauna with spectacular lake and forest views, a spa under soaring pines, a lighted sport court nestled in the woods, and a large entertainment "Moose Lodge" building which expands the play space with room for games, gatherings, and even a future golf simulator. With its rare combination of acreage, shoreline, privacy, and fully realized amenities, Pine Dance Lodge delivers a resort-like experience to be enjoyed for those magical Northwoods summers or to make year-round memories.
