Description:

Stocking Lake project property just outside of Menahga! Set on 3.8 acres with a lake setting, this property offers a great opportunity for someone ready to take on a renovation project. The 2-bedroom home needs substantial work, but the location, acreage and lakefront setting provide plenty of potential. The lot could be opened up and improved to create more scenic views and a more usable lakeside area. Enjoy mature trees, a gradual yard toward the water and room to make the property your own.
