Tucked along the southern shore of beautiful Third Crow Wing Lake and part of the highly sought-after Crow Wing Chain of Lakes, this turnkey lake home offers the perfect blend of comfort, convenience, and up-north charm. With 78 feet of level lakeshore, you'll enjoy easy access to the water for swimming, boating, fishing, and exploring miles of connected waterways on one of northern Minnesota's premier lake chains. Inside, you'll be welcomed by an open-concept floorplan designed for gathering and entertaining, highlighted by soaring vaulted tongue-and-groove knotty pine ceilings that create the warm, inviting lake-home atmosphere buyers are searching for. Large windows bring in abundant natural light and showcase the beautiful lake views. The recently stained deck provides a perfect setting for morning coffee, summer barbecues, and relaxing evenings overlooking the lake, while the side patio with fire pit offers an additional space to share stories and create lasting memories. The thoughtfully designed main level features a spacious primary with private full bath, a second bedroom, large 3/4 bath with laundry and 3 season porch, offering convenient one-level living. The finished lower level expands the space and features a secondary living area with two additional bedrooms, storage/mechanical room and easy, walkout access to the lakeside yard. Recent updates provide peace of mind, including a new roof in 2024, new heating and central air system in 2023, and a Kinetico water softener and filtration system installed in 2020. Whether hosting family and friends or accommodating overnight guests, this layout provides the perfect balance of comfort and functionality. Across the road, you'll find plenty of room for vehicles, boats, and recreational equipment with a spacious 24x36 detached garage and an additional 12x28 lean-to.
